

How to Customize Tile Layout on FieldView™ App Overview Screen

1. To adjust the layout of the Overview screen in the FieldView™ app, click on the **three dots** in the top right corner.

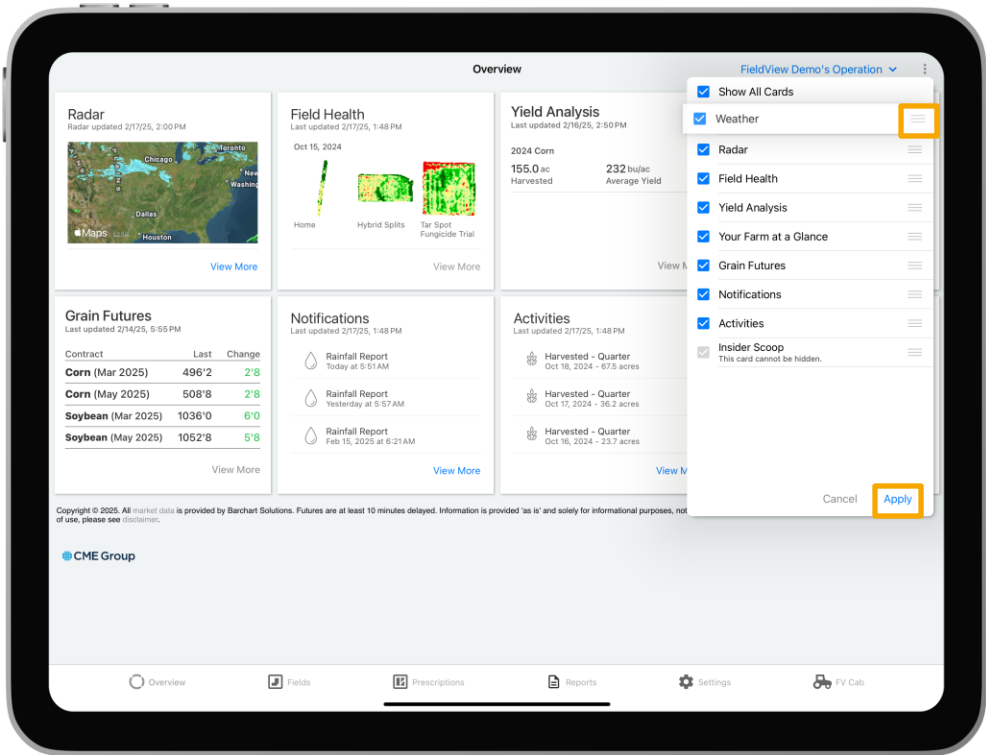

2. Here you will be able to select the tiles you would like to show on your Overview screen. If you wish to remove a tile, simply uncheck the box and click **Apply**.

3. To rearrange the order of the tiles, simply drag and drop the options in the list in the order you would prefer. Click **Apply**. The order of the list will show on the Overview screen from top left to bottom right.

4. You will now be able to see the updated layout with your selected preferences.
