

FieldView™ Account Set Up on the Web

This document provides step-by-step instructions for creating a FieldView™ account on the web.

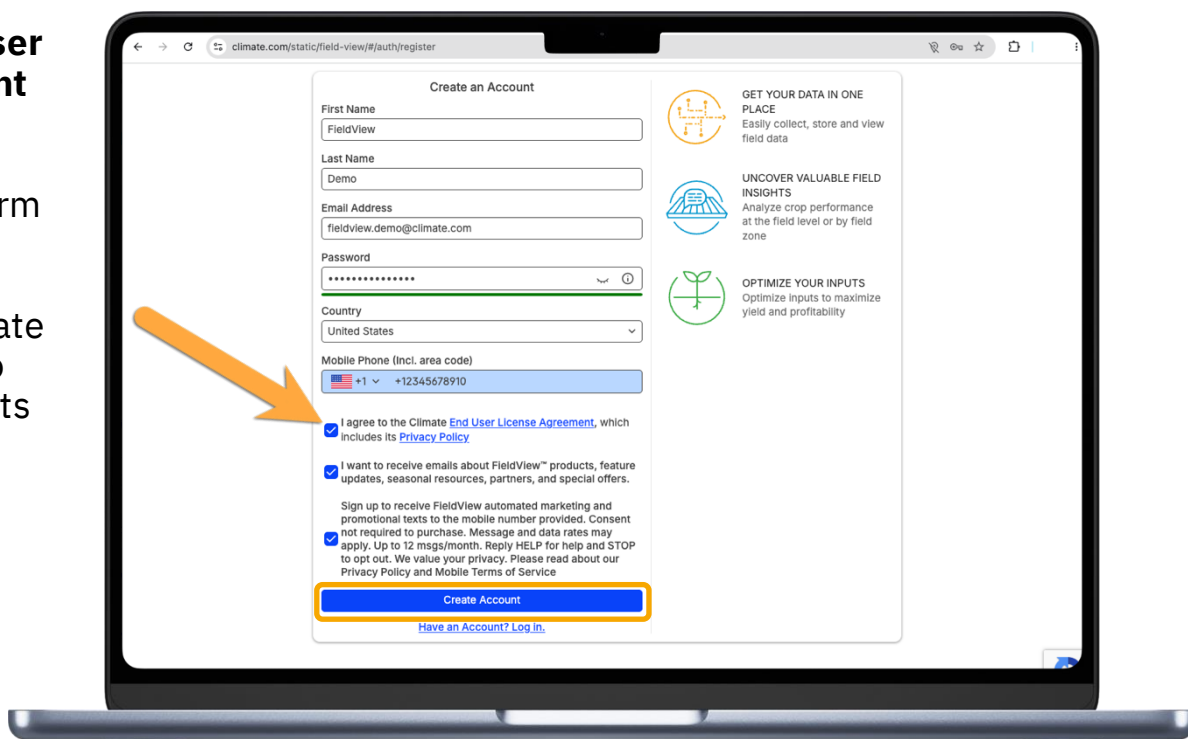

1. Navigate to www.fieldview.com.
2. Select **Create Account** in the top right corner of the screen.
3. Complete fields **First Name**, **Last Name**, **Email Address**, **Password**, and **Phone Number**. Confirm the **Country** is correct for your location.

4. Review the **End User License Agreement** and the **Privacy Policy**. Click the check box to confirm you agree.

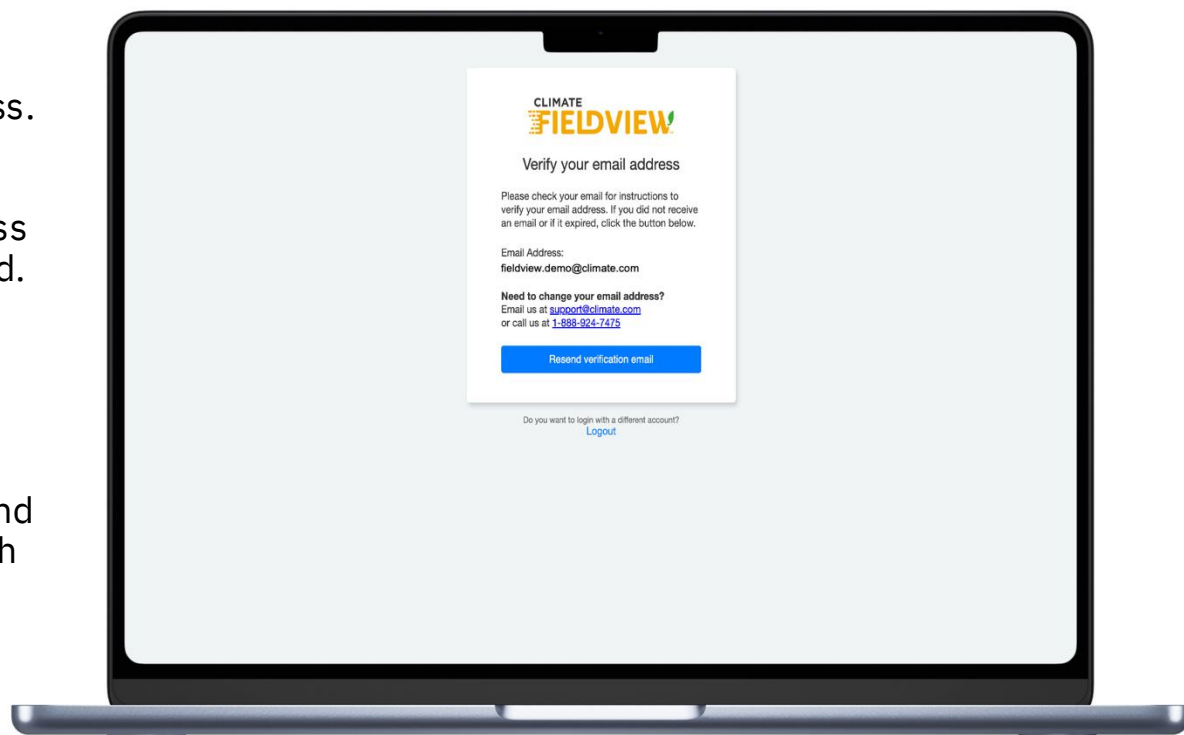

Additionally, indicate if you would like to receive emails/texts from FieldView.

5. Select **Create Account**.

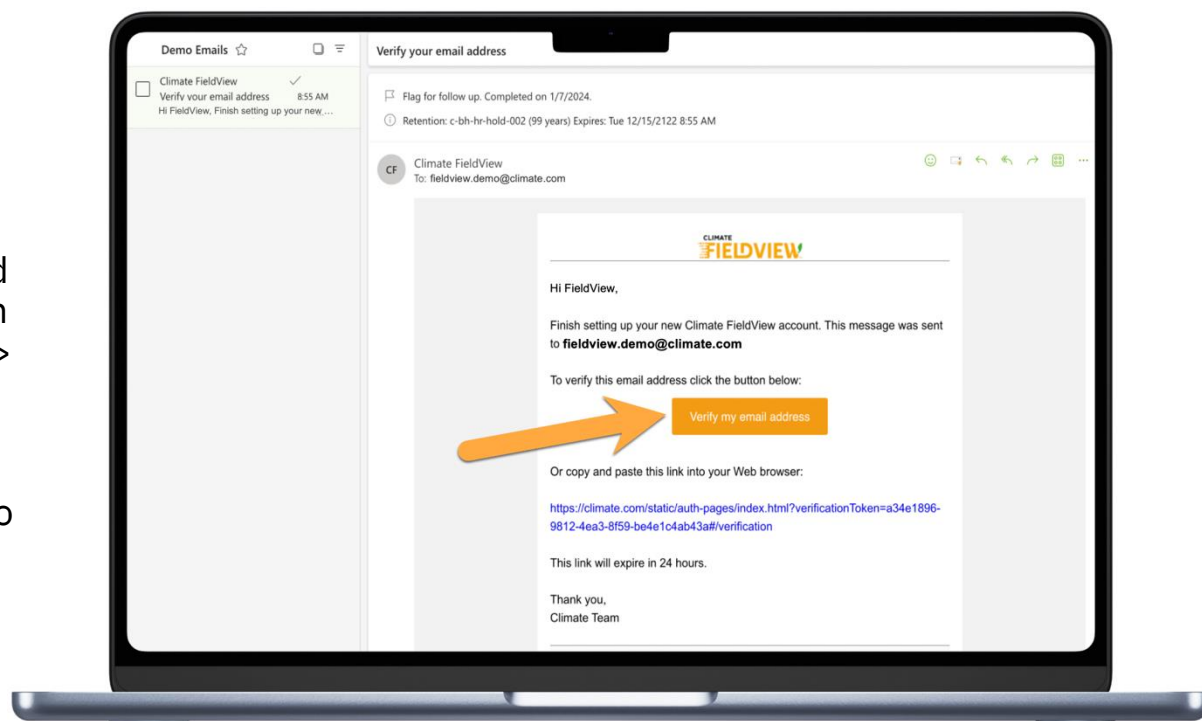

FieldView™ Account Set Up on the Web (Continued)

- You will get a prompt to verify your email address. An email will automatically be sent to the address that was identified.
- Open the email, select **Verify my email address**, and then continue with normal account creation.

Once your email has been verified, you'll be taken to the Fields page, where you can add or edit fields. From here, select **Data > Upload & Import** to access Data Inbox and bring in data, or navigate to prescriptions.
