

Connecting Your *AcreConnect*[™] Account with FieldView[™]

Step 1

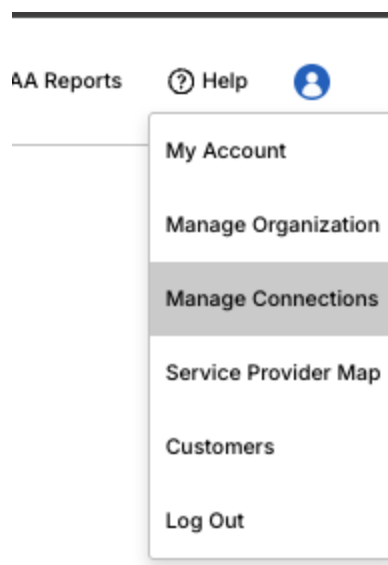

Log into your *AcreConnect*[™] account at app.acreconnect.io using your email and password. If you don't already have an account, you can make one by clicking "Sign Up" and entering your email address, creating a password and following the instructions to verify your email prior to log in.

A screenshot of the AcreConnect login interface. At the top is the AcreConnect logo. Below it is the word "Welcome". Then, the text "Log in to continue to AcreConnect". There are two input fields: "Email*" and "Password*". The Password field has an eye icon to its right. Below the Password field is a link "Forgot your Password?". At the bottom is a dark blue button labeled "Log in". Below the button is the text "Don't have an account? Sign up" where "Sign up" is a link.

Connecting Your AcreConnect™ Account with FieldView

Step 2

Once you are logged in, navigate to your profile settings in the top right corner of your account. Click the person icon and click “Manage Connections” on the dropdown menu.

Step 3

Under the available connections, click the “Connect” button for Climate FieldView™.

Manage Connections

Available Connections

Climate FieldView
This connection allows you to send application maps directly to the FieldView inbox
